Dear Sandhya Patidar,

We are pleased to inform you that your paper "Simple Statistical Model for Complex Probabilistic Climate Projections: Overheating Risk and Extreme Events" (CC0254) presented at the World Renewable Energy Congress 2011 - Sweden (WREC 2011), 8-13 May 2011, Linköping, has been selected by the scientific committee as the winner of the Best Paper Award within the topic Climate Change Issues.

Your paper has also been recommended for the consideration to be published in a WREC 2011 special issue in Applied Energy. We would like you to confirm the acceptance of this invitation as soon as possible but no later than 20 June, 2011, by replying to this email. Please reply also if you wish to decline this invitation.

A formal invitation with details of how to submit to the journal will be sent shortly. After submission your manuscript will be reviewed according to the requirements of Applied Energy. Journal description, scope and guide for authors can be found at:
